

Nuptse Foundation

Science, Technology, Engineering and Math Enrichment Classes

Fall 2018 Session (10weeks) Oct 1- Dec 15

To register: Please complete "Enrollment form" available at nuptsefoundation.org or contact us via e-mail/phone.

Math Olympiads Prep

recommended for grades 3-5

For younger students who have not participated in math competitions. In this class students will learn basic math skills and problem solving strategies before tackling more difficult contest problems.

101-010 – Wed 4:30pm (Westview HS)
101-020 - Thur 6:15pm (Park Village ES)*
101-031 – Sun 10am (13230 Evening Creek Dr)
101-032 – Sun 1:30pm (13230 Evening Creek Dr)*

Math Olympiads

recommended for grades 4-6

Designed to teach students problem solving strategies. It is aimed at students who have experience in basic math concepts and can work with math competition problems to prepare for math contests.

102-010 – Wed 4:30pm (Westview HS)
102-020 - Thur 6:15pm (Park Village ES)*
102-031 – Sun 10am (13230 Evening Creek Dr)
102-032 – Sun 1:30pm (13230 Evening Creek Dr)*

Mathcounts & AMC 8 Beginner

recommended for grades 5-8

Designed to help improve problem solving skills. It is aimed at students with experience in math competitions, as to get them ready for AMC 8 / MATHCOUNTS in middle school.

103-010 – Wed 4:30pm (Westview HS)*
103-031 – Sun 5pm (13230 Evening Creek Dr)

Mathcounts & AMC 8 Advanced

recommended for grades 5-8

Aims to sharpen skills of students who already have experience in math competitions. In this class students will learn problem solving strategies to tackle harder problems.

104-010 – Wed 6:15pm (Westview HS)*
1042-031 – Sun 5pm (13230 Evening Creek Dr)

Math

recommended for grades under 3-6

For students that need help to establish strong base on school math concepts.

110-020 - Thur 6:15pm (Park Village ES)

Creativity Rocks

recommended for grades under K-6

This program is designed for students to develop skills to "think" outside box. Students will work on variety of activities and projects.

401-020 - Tue 6:15pm (Park Village ES)*

Engineering - Build a product

recommended for grades 4-6

Focuses on developing student's interest in engineering fields, with an eye towards application of mathematical and science concepts.

201-010 – Wed 6:15pm (Westview HS)
201-031 – Sun 3:15pm (13230 Evening Creek Dr)*

Technology - Scratch

recommended for grades 4-6

Scratch Programming is developed to meet the interests of younger students. Students will be introduced to fundamental programming concepts. They will learn how to create animations, computer games, and interactive projects.

301-010 – Wed 6:15pm (Westview HS)
301-020 - Thur 6:15pm (Park Village ES)
301-031 – Sun 3:15pm (13230 Evening Creek Dr)*

* Register for these classes first, if possible. These will be confirmed most likely.

Winter & Spring Sessions: Our winter and spring classes will begin from **Jan 14** & **Mar 25, 2019** respectively.
